

Thank you to all who donated blankets to the church. We never know when a need arises, but it's good to know our congregation lovingly and generously steps up to the plate to provide for that need. We not only received blankets from those in our church but a local business heard about our request and donated 35 more blankets! We are beyond grateful!

We have enough blankets at this time. If you planned on donating some, we ask that you set them a side at home for now in case more is needed. Again, thank you for your kindness and generosity.

## **Toys For Tots Donations**

Thank you to all who donated gifts to Toys For Tots. It was a huge success! The Toys For Tots box had to be emptied twice! Thank you for your generosity. Your act of kindness will make many children happy this Christmas!

## Church Decorating Night

Thanks to all who came out to decorate the church. It looks beautiful! We enjoyed some fellowship after eating pizza and desserts!
